## Four Layer Face Lift **\$75.00**

This incredible treatment will truly change the “Image” of your skin in just one treatment. High doses of Vitamin C penetrate to tighten the skin, pharmaceutical grade Glycolic Acid to exfoliate the skin, and gentle but highly active medical grade enzymes to speed up cellular turnover. Immediately tightening, lightening, and brightening.

## Image Signature Facial **\$65.00**

This amazing facial will impress and improve even the most experienced “facial goer”. This facial tightens, lightens, brightens, nourishes, smoothes, and hydrates. What more could one ask for.

## Customized Peels **\$75.00 - \$100.00**

Light to medium peel formulas help to reduce biological modifications and pigmentation with the skin.

## Microdermabrasion **\$100.00**

A skin freshening technique that helps repair facial skin that takes a beating from the sun and the effects from aging. It is effective in reducing fine lines, age spots, and acne scars. It stimulates the production of skin cells and collagen. This procedure can be done on the hands as well.
